

EARLY CABELL FAMILY GRAVEYARDS

Struman

Located off Route 626 on 606, Buffalo Station Road. The property is on the north side of the James River above Buffalo Station.

The 1936 WPA report says the four graves listed below were visible. In 1998 there were two tall gravestones of Kate and Susan plus two flat illegible stones. Only Kate's broken stone remained in 2009. To avoid further damage, Kate's stone was repaired and moved in 2014 to Forkfield to be beside her mother.
